

BRUNO GIROLDI

PRODUCER / COMPOSER / MIXER

Bruno Girolodi is an Argentine music producer, composer, multi-instrumentalist, and mixing and mastering engineer based in Buenos Aires. He studied music at the Universidad Católica Argentina and began pursuing a career in music at 18. Over more than a decade he has worked across rock, pop, indie, electronic, hip-hop, trap, and Latin records, as well as original scores for film, with artists in Argentina, the United Kingdom, and Spain. He works as a producer, mixing engineer, and mastering engineer, taking on any of these roles on their own or carrying a record from the first idea through to the final master.
